AHOY, ME HEARTIES! WE'RE LOOKING FOR TREASURE

SATURDAY SEPT 23
1 PM - 3 PM
Centre Court

Dress up like a pirate and join local author Geraldine Tuck as she reads from her new children's book "Mystery Marauders" as you follow the clues to try to solve the mystery of Oak Island.

It's 1933 and junior detective Dan Veinotte faces his toughest case yet - the mystery of Oak Island, Skeletons, a cryptic message, a Spanish coin and an old family ring lead to a ghostly encounter. Clairvoyant friend Becky Wentzell fears for Dan's life. Follow the clues and solve a 120 year old mystery.

Following the reading we will have our own treasure hunt. X marks the spot! Grab a map and follow the clues around the mall which will lead to your very own treasure!

MAKE YOUR OWN SPINNER

Supplies Needed:

- Old CDs
- Marbles
- Plastic bottle caps
- Hot glue
- Paper
- Markers

- Divide the paper into quadrants or eighths by folding. Then colour them using markers, choosing colors that when combined make another color:
For example
blue and yellow = green
black and white = grey
red and yellow = orange
- Then cut the paper in a circular shape the same size as the CD and cut a hole in the center, tracing the CD to get the right size. Then glue the paper to the CD.
- Once the labels are stuck on, apply hot glue liberally around the hole on the bottom of the CD and stick a marble (the small ones work perfectly) in. Within a minute, the glue will harden and the marble will be secure.
- Next apply a ring of glue to the top of the CD around the center hole (on top of your colored label) and add a plastic cap.

Now grip the cap and get your top spinning. Have fun!!
