**What is Remembrance Day?**

Remembrance Day is a memorial day which takes place every year so that countries in the Commonwealth can remember members of the armed forces who have lost their lives serving their country.

When is Remembrance Day?

Remembrance Day is always November 11th. It was on the 11th hour of the 11th day of the 11th month that combat in World War 1 came to an end in 1918. Remembrance Day has been observed since 1919.

Why do we wear poppies on Remembrance Day?

The poppy was one of the first flowers to bloom on the battlefields of Flanders during World War 1. Their bright red colour symbolised the blood shed during the horrific conflict, but also the hope of new life, and the poppy became the symbol of Remembrance Day. The Remembrance Poppy has been used as a symbol since 1920. Today, poppies are worn on clothing in the days leading up to Remembrance Day, and poppy wreaths are placed on war memorials.

Why do we have Remembrance Day?

Remembrance Day is an opportunity to pay respect and honour to those who lost their lives serving their country. It also gives the public a chance to remember family and friends who lost their lives fighting in wars.

Color the poppy!
