And downhill you will go

If you're outside in the winter
And you are walking around town
You might see this item caused by
Water frozen while dripping down

If you lay down in white flakes
Out in the winter air
Move your arms and legs about
What is it you leave there?

This item is what's chosen
To be wrapped around your neck
So it doesn't get frozen

10)

I have branches
And I'm green
In December
I am seen

With enough winter flakes
Two or three spheres is your goal
Then you can make this friend
With a scarf, carrot and coal
